Destruction of Pesticides

Many countries have substantial stockpiles of obsolete pesticides left over from agricultural use in past decades.
Plascon® provides an economical and safe process for the destruction of pesticides, that meets with the most stringent international standards.
Among the pestices that can be destroyed with a Plascon® unit are:
-
Azinophos
_
DDE
-
Mitotane
-
2,4 D
DDT
-
Nonachlor
-
